

Online! SUCCESS

How to make money from a Website, Blog or Vlog

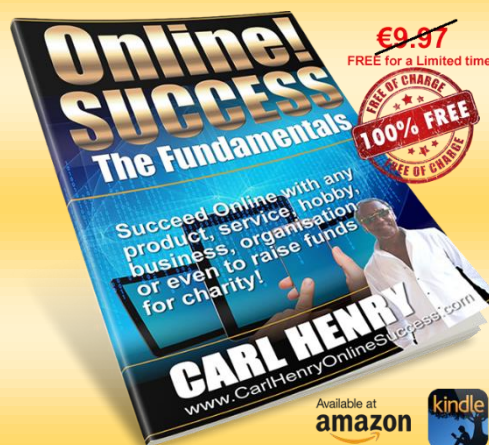

Visit: www.CarlHenryGlobal.com for more info

The essence of making money online (monetising) is to own a website, blog or Vlog that is highly focused on one subject – then to build the number of visitors (Traffic) through social media, online advertising and email marketing; so it becomes an attractive marketing channel to other businesses or you can sell products and services through it.

Here are the main ways you can “Make Money Online”;

1. Sell affiliate products (eg: www.clickbank.com)
2. Sell affiliate services (eg: www.getresponse.com)
3. Sell Amazon Products on your website (www.amazon.com)
4. Sell your own information products & eBooks
5. Create and sell your own online course or “How to...,”
6. List and Sell your services online (www.paypal.com)
7. Quality control and recommend the services of others for fees
8. Put Google Advertising in your content (www.google.com/adsense)
9. Sell your own banner advertising on your website
10. Sell valuable content on a monthly membership site
11. Build a focused mailing list and charge to promote others through it
12. Write Reviews - Recommend products & services you like for fees
13. Run a paid email/Phone/Skype or Coaching service
14. Ask for Donations after giving great written or video content
15. Sell physical products through your own online shop
16. Build up niche websites with visitors to sell as a going concern
17. Create a useful niche directory and charge for enhanced listings
